

213 Mars St Berrien Springs

Features:

- 3 Bedrooms
- 2 Baths
- Full basement
- Eating area in the kitchen and pantry
- All appliances stay with the exception of the washer
- New laminate floors
- New carpeting in the master bedroom
- Deck
- Fenced backyard
- One car garage detached

This beautiful home is much larger than it appears.

A side addition features a large living room and master suite with private bathroom.

New laminate floors, new carpet in Master, all appliances are new (except washer).

Lots of storage with large closets and attic storage.

Large partially finished basement with double doors leading to the outside.

Neat and clean ready for you to move right in.

Priced right so make your appointment to see it soon.
